Please call your representative today and urge him or her to co-sponsor the TRADE Act again in 2009. 1-800-828-0498

Last year, 74 House members and six senators, including Senator Casey, cosponsored landmark legislation setting forth a progressive vision for good trade agreements: the Trade Reform, Accountability, Development and Employment (TRADE) Act. We expect this legislation to be reintroduced in Congress very soon. The TRADE Act, sponsored by fair trade champions Sen. Sherrod Brown (D-Ohio) and Rep. Mike Michaud (D-Maine), lays out in detail a new path forward for U.S. trade policy to achieve societal goals such as good jobs, safe food and promotion of basic human rights, healthy communities and environmental protection.
